The net Savings of the temple together with interest on Rs 400/- to be invested is Rs 73 – 0 – 9 per annum.

As Rice is at present given by the temple servants by turns for Nivayadiam, it is

not

not Carried out very Satisfactorily. Rs 36-00 per Annum may be sanctioned for rice to be given at a Seer a day. The Pari has to take the rice offered Nivaydam in the morning, the Archak in the Evening. will ensure Puja being performed in the temple.

As it is difficult to get a Cook at Rs 4/- a month, it is proposed to raise his pay by 8 a month in addition to 1/2 a Marakkal of rice as at present.

The duties of a Collar are for the proper Care and Custody of temple property. As it is found difficult to secure a Collar at 2-4-0 a month, it is proposed to raise his pay 3-0-0 per mensem. In Govt Pro: No 3056/148 dated 13th August 1884 the pay of a Davanday and Peon was sanctioned to be increased by Rs 15. 14:-

But-

But this has not been carried into effect as it is necessary to have another man servant to sleep in the temple with the Collar during night to guard temple property, it is proposed to raise his pay by 1.9.2. making it thus 2.8 0 a month. The Sweeperwoman gets now 6 as a month. It is proposed to raise her pay by 4 as a month. The above increase to pay is recommended for those temple servants who are absolutely necessary for regular worship and for the upkeep of the temple.

The above proposed increase to pay comes to 6-1-2 a month or Rs 72-14-a a year which is available as will be observed from the detailed statement attached.
